

MB-4

JANOME

For unbelievably compact multi-needle embroidery

MB-4

JANOME

Compact, light-weight, single head 4 needle embroidery machine

The MB-4 is Janome's semi-industrial single head 4 needle embroidery machine. It is compact, light-weight and portable. With the attached Remote Computer Screen (RCS), everything is at your fingertips.

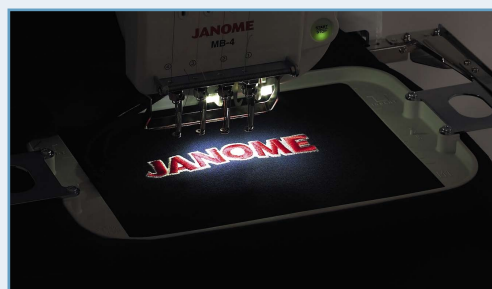

RCS (Remote Computer Screen)

LCD colour touch screen. Large viewing area. USB and ATA PC Card slots on side. Attaches to MB-4 or is free standing.

Dual Lighting
Dual white LED
lights help users
increase efficiency of
embroidery work.

Features

- ✓ Single head 4 needle embroidery machine
- ✓ Overall weight 20.5kg
- ✓ Independent bobbin winding
- ✓ USB & ATA PC Card compatible
- ✓ Direct PC Link
- ✓ Compatible with Tajima hoops
- ✓ 2 white LED sewing lamps over needle area for easy viewing
- ✓ 3 Hoops: M1 (240 x 200mm), M2 (126 x 110mm), M3 (50 x 50mm)
- ✓ Automatically returns a number of stitches after thread breakage
- ✓ RCS (Remote Computer Screen) control panel including a sub-control panel on the side of the MB-4
- ✓ In conjunction with DigitizerPro for Multi-Needle you can run up to 3 MB-4 machines simultaneously and all 3 machines can be embroidering different designs

Sub-Control Panel

Built on to the side of the machine, allows the MB-4 to be fully functional without the RCS unit attached.
